About the Rotary Club of Romsey Test

The club is a welcoming and lively group which meets in the Abbey Hotel Romsey each week on a Wednesday evening. The club operates on a social level providing members with much valued fellowship but also operates as a service club providing help to local and overseas worthy charitable causes. Further information about our wide range of activities in the community and internationally can be found on our website:

www.rotaryclubofromseytest.org

In recent years the Test Valley Walk has become the major source of our charitable income and we wish to thank you for your support by considering participating in this highly enjoyable event.

As a lively forward looking club we are keen to attract new members, and would welcome approaches from those who feel that they can contribute to the club and the wider community
